Salti spettacolari, manovre al limite dell'impossibile, incidenti scenografici: nel mondo delle corse automobilistiche clandestine di alto livello raccontato dal popolare videogioco "Need for Speed," tutto questo è la normalità. E mentre i protagonisti compiono le loro prodezze a bordo di vetture mitiche, dalla McLaren P1 alla Shelby Mustang, dalla Lamborghini Sesto Elemento alla Bugatti Veyron, la polizia tenta di fermarli a ogni costo, inseguendoli, speronandoli, buttandoli fuori strada, facendoli ribaltare... Insomma, adrenalina allo stato puro, che tutti gli appassionati di videogiochi (e non solo loro...) possono ritrovare sullo schermo, grazie alla pellicola Dreamworks dedicata a questo superclassico dei videogiochi e a questo libro, nato dal soggetto del film.
